Employment History

- 2025-06-07 –
- 📌 **Supreme Household Overseer**, Primary Residence. Exercises absolute authority over domestic operations, including feeding rituals, lap allocation, keyboard occupation, and enforcement of arbitrary rules.
 - 📌 **Chaos Engineer**, All Accessible Surfaces. Conducts systematic stress testing of fragile objects via gravitational release, with a focus on nighttime deployment and human disorientation.
- 2025-06-07
- 📌 **Spiritual Trial Subject**, Veterinary Temple. Underwent the sacred rite of spaying and returned with diminished patience, increased judgment, and unchanged dominance.

Education

- 2025-06-07
- 📌 **Self-Taught Certification, School of Hard Knocks** in Object Physics.
Thesis title: *On the Inevitability of Gravity and the Futility of Human Hope.*
 - 📌 **Advanced Studies, Kitchen Counter Institute** in Forbidden Knowledge.
Thesis title: *A Survey of Objects Humans Prefer Not to Be Touched.*
 - 📌 **Independent Research Program, Under-the-Couch Academy** in Spatial Compression.
Thesis title: *On Occupying Spaces Smaller Than One's Apparent Body.*

Skills

- | | | |
|------------------------|---|------------------------------------------------------------------------------------------------|
| Languages | 📌 | Fluent in Meow (native), Purr (expressive), Silence (strategic), and Screaming (situational). |
| Tactical Skills | 📌 | Lap occupation, keyboard interception, door screaming, object displacement, selective hearing. |
| Spatial Mastery | 📌 | Under-table navigation, couch infiltration, box compression, counter access. |
| Behavioral Engineering | 📌 | Human manipulation, attention redirection, guilt induction, sleep disruption. |
| Misc. | 📌 | Nap optimization, food detection, plant targeting, sustained judgmental staring. |
